ANNUAL REPORTS
OF THE
TOWN OFFICERS
OF
STODDARD, NH
FOR THE YEAR ENDING
DECEMBER 31, 1995

FRONT COVER:

First cruiser owned by the Town of Stoddard. Taken at Island Pond boat launch, 1995.

There are really only three types of people: those who make things happen, those who watch things happen, and those who say, 'What happened?'
Ann Landers

The 1995 Stoddard Town Report is dedicated to Donald Curry. Don suffered a stroke in early 1995 making it impossible for him to reside in his home here on Old Forest Road. In January 1989 he lost his house to fire. The generosity of residents were able to replace the material loss with a new home on Old Forest Road.

He had been an active presence in Stoddard since he arrived here in the late 1930's. He served as road agent, sexton, overseer of the poor, town barn attendant, town hall janitor, and liquor agent. Many of us miss seeing him out for his daily walk. Tough on the outside, but tender and caring inside, aptly describes Donald.

Don's spirits are very good. He is enjoying living in Maine but definitely misses his home and friends here in Stoddard. If you would like to write him, his new address is:

Donald Curry
Falmouth by the Sea
191 Foreside Road Room 306
Falmouth, Me 04105

Thanks Don for your years of service!

Good character is more to be praised than outstanding talent. Most talents are, to some extent, a gift. Good character, by contrast, is not given to us. We have to build it piece by piece—by thought, choice, courage and determination.
John Luther

SELECTMEN'S NARRATIVE

Unlike the federal government, Stoddard balanced its budget in 1995 and ended the year with a surplus of \$2,936. This is the first time we have had a surplus balance in many years. This balance, although small, reflects a great deal of work. The Selectmen and Officers of the Town have initiated many changes over the last three years that have helped us attain this goal. This year we did not borrow any money on tax anticipation loans. As recent as 1990, we spent \$30,311.00 on interest for such loans. Three years ago all the bookkeeping was done manually. We are now utilizing the computer for all our bookkeeping. This has saved us many hours and headaches. Now we have a more in-depth view of where the money is, what we have paid, and what still needs to be paid. This information is now available in minutes, making our job much easier. In the "Detail Statement of Payments" this year, you will see the monies spent on Roads, by Road. These are just a few of things that have help us pull out of the deficit.

This year many people decided to put their property into Current Use. This made the "Net Valuation on which Tax is Computed" drop by \$1,167,778! That's right One million, One hundred sixty-seven thousand, Seven hundred seventy-eight dollars! This had a huge impact on our tax rate. This year we have included a new report listing all properties assessed under Current Use. This report indicates what properties are receiving an additional 20% reduction in assessed value because the property is available for "Recreational Use".

While our overall 1995 budget was down from 1994, we had an increase in our tax rate of 29 cents. This increase plus went to the County. They shifted a large portion of the Medicare Reimbursement to Capital Reserves, instead of using it to reduce property taxes. The tax rate breakdown reduced; the Town portion by 1 cent, the School portion by 7 cents, and INCREASED the County portion by 37 cents!

This year saw the end of two long legal suits.

Lakefalls Associates, Inc v. Town of Stoddard concerning the revaluation in 1990. Lakefalls assessed values were refigured by the State Assessors. A Court agreement was reached to refund them \$27,321.89 including interest.

The Town of Stoddard v Hill Construction Co., ended with a final judgment for the Town against Hill Construction for \$21,871.32. We are now attempting to collect.

Once again we have unanimously agreed that without the help and support of Charlotte Pratt, Joan Read, Joan Zelasny, Gloria Harper, Denise Pratt, Betsy & Rich Follansbee, Bob Kirker and Rick Francoeur the Town of Stoddard won't be the same. These people put forth a great effort year-round to make Stoddard a good home for all of us.

In addition, we would like to thank Harry Power, Casey Hayes, Bob Hardy, John Secco, Charles Chandler, John Cressy, Paul Dionne for the work they did on the Transfer Station Committee. They put in many hours and have put together a presentation that reflects their hard work and dedication. This is a piece of public property that needs attention. No matter what the outcome of the Transfer Station (move or stay) the Selectmen agree that the site needs work. The current building is in sad shape, the fence is in disrepair and the driveway needs additional work. We have put off repairing this site in hopes of resolving the issue of where the Transfer Station should be. We feel that the repair work cannot be put off any longer. The proposed renovation would make this site suitable for a variety of uses, and does not necessarily mean an end to the debate about where the Transfer Station should be.

This year you will notice that we are printing the Trustees of The Trust Funds Report for both 1994 and 1995. In the process of putting last years report together we incorrectly reported the Trustees' Information. With the purchase of a new copier this year we are able to reduce the Trustees Report as it is submitted to us instead of retyping into a smaller format. We regret any inconvenience the reporting error has caused. Additionally, we would like to thank the Trustees for their good work, time and effort. The Trust Funds are making a tidy sum in interest, because of their efforts.

Sincerely,

Brenda J Bryer John Halter, Chairman Louis GrandPré

TOWN OF STODDARD TOWN WARRANT

To the inhabitants of the Town of Stoddard in the County of Cheshire in the State of New Hampshire, qualified to vote in Town Affairs:

You are hereby notified to meet at the Town Hall in said Stoddard on twelfth (12th) day of March 1996 at Eleven (11:00 AM) of the clock in the forenoon, to act upon the following subjects:

THE POLLS WILL BE OPEN FROM 11:AM TO 7:PM.

ART. 1: To choose all necessary Town Officers for the ensuing year.

ART. 2: To see if you are in favor of adopting the proposed amendments and additions to the Community Planning (Zoning) Ordinance as proposed by The Stoddard Planning Board.

You are hereby notified to meet at the Town Hall in said Stoddard on Tuesday the Ninetieth (19th) day of March 1996 at Seven (7:00 PM) of the clock in the evening, to act upon the following articles 2 through 30.

ART 3: To see if the Town will vote to authorize the Selectmen to sell by auction or by advertised sealed bid, or in such other manner as determined by the Selectmen as justice may require properties acquired by the Town through Tax Collector's deeds. This authorization in accordance with RSA 80:80 shall remain in effect until rescinded by a vote of the municipal meeting. (Majority vote required).

ART 4: To see if the Town will vote to raise and appropriate the sum of \$1 to be distributed equally among all the community agencies that have asked. The Selectmen recommend this appropriation.

ART 5: To see if the Town will vote to raise and appropriate the sum of \$225 for the operation of the Stoddard Conservation Commission. The Conservation Commission and Selectmen recommend this appropriation.

ART 6: To see if the Town will vote to raise and appropriate the sum of \$970 for the Lay Monitoring Program. The Conservation Commission and the Selectmen recommend this appropriation.

ART 7: To see if the Town will vote to raise and appropriate the sum of \$150 for the Lay Monitoring Program at Robb Reservoir. Jill Fish and the Selectmen recommend this appropriation.

ART 8: To see if the Town will vote to raise and appropriate the sum of \$4,600 for the operation and maintenance of the Davis Library. The Library Trustees and the Selectmen recommend this appropriation.

ART 9: To see if the Town will vote to raise and appropriate the sum of \$114,775 to defray Town charges for the ensuing year. The Selectmen recommend this appropriation.

ART 10: To see if the Town will vote to change the purpose of the Capital Reserve Funds established for the purchase of Land and/or Buildings for future Town use to the Transfer Station Renovation Capital Reserve Fund (2/3 vote required).

ART 11: To see if the Town will vote to raise and appropriate the sum of \$44,000 to renovate the Stoddard Transfer Station and authorize the withdrawal of \$43,681 plus accruing interest from the Capital Reserve Fund created for that purpose. The Selectmen and the Transfer Station Committee recommend this appropriation. (Majority vote required).

ART 12: To see if the Town will vote to raise and appropriate the sum of \$50,500 for the operational expenses of the Stoddard Recycling and Transfer Station. The Selectmen recommend this appropriation.

ART 13: To see if the Town will vote to establish the Stoddard Fire and Rescue Department as the Town's official municipal fire and rescue department, to authorize it to accept gifts in the name of the department, to approve the election of its officers by the department membership and to authorize the appointment of its members by the duly elected chief, pursuant to RSA 154:1.

ART 14: To see if the Town will vote to raise and appropriate the sum of \$16,065 for the operating budget of the Stoddard Fire & Rescue Department for the ensuing year. The Fire and Rescue Department and the Selectmen recommend this appropriation.

ART 15: To see if the Town will vote to raise and appropriate the sum of \$7,500 for the purchase of a set of "Jaws of Life" for the Rescue Department. The Fire and Rescue Department and the Selectmen recommend this appropriation.

ART 16: To see if the Town will vote to raise and appropriate the sum of \$3,000 for Antrim ambulance service for the ensuing year. The Fire and Rescue Department and the Selectmen recommend this appropriation.

ART 17: To see if the Town will vote to raise and appropriate \$25,000 to be placed in the Capital Reserve for the future purchase of a new front line pumper to replace the 1956 FWD referred to as M1. The Fire and Rescue Department and the Selectmen recommend this appropriation.

ART 18: To see if the Town will vote to raise and appropriate the sum of \$2,500 for the operating budget of the Stoddard Fire Warden, for the purchase of supplies, equipment, meetings, training and Forest Fire bills. The Fire Warden and the Selectmen recommend this appropriation.

ART 19: To see if the Town will vote to raise and appropriate the sum of \$2,000 to install and set up a holding tank for sanitary facilities at the Fire Station. The Fire and Rescue Department and the Selectmen recommend this appropriation.

ART 20: To see if the Town will vote to raise and appropriate the sum of \$3,000 for the purchase and installation of four (4) Garage Door Openers at the Fire Station. The Fire and Rescue Department and the Selectmen recommend this appropriation.

ART 21: To see if the Town will vote to raise and appropriate the sum of \$5,000 to remove an underground fuel tank at the Fire Station. The Fire and Rescue Department and the Selectmen recommend this appropriation.

ART 22: To see if the Town will vote to raise and appropriate the sum of \$2,885 as operating budget for the Stoddard Planning Board for the ensuing year. The Stoddard Planning Board and the Selectmen recommend this appropriation.

ART 23: To see if the Town will vote to raise and appropriate the sum of \$693 for membership to the Southwest Region Planning Commission for the ensuing year. The Stoddard Planning Board and the Selectmen recommend this appropriation.

ART 24: To see if the Town will vote to raise and appropriate the sum of \$700 for the operating budget of the Stoddard Zoning Board of Adjustment. The Stoddard Zoning Board and the Selectmen recommend this appropriation.

ART 25: To see if the Town will vote to raise and appropriate the sum of \$10,525 for the operating budget of the Stoddard Police Department. The Stoddard Police Department and the Selectmen recommend this appropriation.

ART 26: To see if the Town will vote to authorize the Selectmen to continue a lease agreement established for the purpose of leasing a Police Cruiser for the Police Department and to raise and appropriate the sum of \$7,602 for the Police Cruiser lease agreement. This lease contains an escape clause. (Majority vote required). The Stoddard Police Department and the Selectmen recommend this appropriation.

ART 27: To see if the Town will vote to raise and appropriate the sum of \$107,800 for winter and summer maintenance, emergencies and planned repair of Town roads and bridges. The Selectmen recommend this appropriation.

ART 28: To see if the Town will vote to raise and appropriate the sum of \$20,000 to be added to the Shedd Hill Bridge replacement Capital Reserve Fund established in 1994. The selectmen recommend this appropriation. (Majority vote required). The Selectmen recommend this appropriation.

ART 29: To see if the Town will authorize the Selectmen to lease property accepted as a gift, to be used as a Post Office Contract Station.

ART 30: To transact any other business that may legally come before said meeting.

Given under our hands and seal, this twenty-third day of February
in the year of our Lord, nineteen hundred and ninety six.

AUDITORS REPORT

The records of the Selectmen, Town Clerk, Tax Collector, Treasurer, Trustee of Trust Funds, Cemetery Commission, Library Trustee and Boat Permit Agent have been examined pursuant to RSA:41.31 for the year ending December 31, 1995.

In the opinion of this Auditor, these accounts together with their financial statements present fairly the financial position for the year end of the Town of Stoddard. These records also conform with generally accepted accounting principles applied using the cash basis method.

Verifications notices were sent to a random sampling of unpaid tax bills on February 12, 1996 with request for responses for incorrect bills only.

Virginia R. GrandPré, Town Auditor

STODDARD FIRE & RESCUE DEPARTMENT

In 1995 we responded to and participated in a total of 130 emergency calls and activities as follows:

- | | |
|-----------------------------|----------------------|
| * 23 rescue calls | * 15 training drills |
| * 7 motor vehicle accidents | * 12 meetings |
| * 23 fire calls | * 50 radio checks |

Since purchasing our new Rescue vehicle we are now better equipped to respond to any emergency. Having been outfitted with 4 wheel drive, increased lighting, power generators, and other advanced equipment, this vehicle gives us the capability to effectively handle any rescue/medical situation which may arise.

As of July 1, 1995 E911 telephone service was in effect throughout the state. All calls are now routed through Concord to the appropriate dispatch unit (Keene). All information is brought up on a screen there which provides the facility to direct assistance to the proper location of the incident involved.

Last year we constructed a training building at the town Transfer Station to help further our fire fighting techniques. We appreciate all the donated time and materials that were required to finalize this project.

We would like to thank all the townspeople and selectmen for their support and appreciation of our services during the past year. Our goal as a department is to keep up with current state regulations and the latest fire and rescue service technologies.

Our most pressing need, at the moment, is for additional volunteers to assist in the protection of Stoddard's people and properties, and to provide adequate rescue capabilities as needed.

FOREST FIRE WARDEN

In calendar year 1995, our three (3) leading causes of fires were Children, Non-Permit fires not properly extinguished and Smoking Materials.

Violations of RSA 224:27 II, the fire permit law and the other burning laws of the State of New Hampshire, are misdemeanors punishable by fines of up to \$2,000 and/or a year in jail. Violators are also liable for all fire suppression costs.

To aid your Forest Fire Warden, Fire Department and State Fire Officials, contact your local Warden or Fire Department to find out if a permit is required. This also helps to prevent un-necessary response to a controlled burn.

1995 Fire Statistics

<u>Forest Ranger Reported Fires</u>	<u>Fires Reported by County</u>

		Merrimack 49
<u>Lookout Tower Reported Fires</u>	555	Rockingham 106
		Strafford 78

Local communities and the State share the cost of suppression on a 50/50 basis. The State of New Hampshire operates 15 fire towers, 2 mobile patrols and 3 contract aircraft patrols. This early detection and reports from citizens aid the quick response from the local fire departments.

1995 was a busy year for the Police Department, accidents, juvenile and domestic issues continue to take up a large percentage of our time. In 1996 I hope to increase our visibility by doing more patrols to deter burglaries and thefts. Also, speed enforcement will be stepped up.

The Police Department has met all the certifications and training mandated by the Police Standards and Training Council. We have been very active and successful in our criminal and DWI cases. We have cases pending that are being investigated jointly with other agencies.

In June of 1995 the Police Department received its first cruiser. Our 1995 Ford Bronco, with its 4x4 capabilities, serve the towns climate and terrain well. We are pleased with its performance and serves our needs well.

I would like to again thank the townspeople for their continued support and assistance over the past year. I would also like to thank Officer Donald Fleming, Joan Zelasny and the Stoddard Fire & Rescue for their cooperation and dedication.

PLANNING BOARD

The Stoddard Planning Board met on the first Tuesday of each month at 7:00pm and for 7 additional work sessions. A joint meeting with the Selectmen and ZBA was held in April to informally discuss issues relating to the welfare of the community, a practice the three boards wish to continue.

In 1995, 5 sub-division applications were accepted and approved and a sixth application has been accepted with approval pending.

Work continued throughout the year on site plan review standards and procedures that, when approved, apply to the development, change or expansion of tracts for non-residential uses and to multi-family units of three or more dwelling units. Site plan review regulations are intended to guard against conditions that would involve danger or injury to health, safety or prosperity of the community.

In addition, the Board has drafted more explicit definitions of home occupations, home businesses and commercial activities for voters consideration.

The Board has been particularly demanding of the support of Patricia Putnam, Board Secretary. We are very appreciative of her handling of the many organizational details for the Board.

ZONING BOARD OF ADJUSTMENT

1995 was not a quiet year for the board. Our long time secretary, Virginia GrandPré left our board in May to devote more of her time as President of the NH Federation of Garden Clubs. As with all things, you don't appreciate what you have.. until its gone! Left without a secretary, we were fortunate to be able to have Patricia Putnam step into that position.

At last years Town Meeting in an effort to be frugal, we cut out projected budget request from \$1,100 to \$700. Fortunately, we were able to stay within those conservative guidelines. For 1996, we will try to maintain this low cost but the townspeople should be aware that rules and regulations cost time..and money. As regulations become more complex, then appeals will surely increase!

Several of our board attended the state run workshop on Planning & Zoning designed to further our understanding of our responsibilities in conducting ZBA business. The information we received contributed to fair decision making, within the confines of New Hampshire's RSA's, case law and our local zoning ordinances. Our decisions on the 1995 cases which came before us were made from greatly enlightened positions resultant from attending the ZBA seminar. As NH state laws are ever changing, we plan to stay up to date by attending the '96 presentation.

The present board is a conscientious one. I feel it is a very fair board to all those who come before it; however, its not an easy road to walk some-times. So the next time you run into a Board member, just tell him/her you appreciate the time they spend and keep up the good work. The town is fortunate to have them!

ANIMAL CONTROL OFFICER

There were 63 animal-related reports through November of 1995. While the number is up, most calls were handled by phone and unfortunately, the majority of the calls were about cats who disappeared. To our knowledge, only two ever returned or were located. Short of confining your cat to a life strictly indoors, not much can be done to prevent this from happening.

Only two dogs were taken to the Monadnock Humane Society this year. While the number is too many, it is far better than we have experienced in recent years.

Stoddard again participate in a Rabies Clinic together with the Towns of Nelson and Harrisville. The clinic was very well attended by Stoddard residents with 24 dogs being vaccinated and a large number of cats also.

I am very grateful for continual assistance from our Police Department. David and Don are always willing to do whatever they are able to in order to help and I am really appreciative of this.

DAVIS PUBLIC LIBRARY

The library is open Thursday evenings from 7:00pm to 9:00pm and on Saturday mornings from 9:30am to 10:30am.

A second exit with a ramp was installed at the library during 1995.

More than 300 books and many magazines were donated to the library this year. Almost 200 new books and videos were purchased during the year. Twelve periodical subscriptions are currently received. More than 1200 volumes circulated during the 1995.

A tub of flowers was placed at the library by Mr. and Mrs. John Secco and cared for by them, adding much to the appearance of the building during the summer season.

The annual book sale held during Old Home Days was very successful. The library subscribed to the Junior Literary Guild again this year. We receive three new award winning books of different reading levels from the Guild each month. The library now has a substantial collection of video tapes and a small collection of audio tapes.

Earle Lund and Alan Rumrill designated their 1995 Rotary Bookshelf donations to the David Library and Miss Louise Johnson also made a generous donation. Furthermore, an anonymous donor gave \$10.00 and Mr. and Mrs. James Cass donated a filing cabinet.

Mrs. Annabelle Harriet Weston Haven donated a copy of the book that she authored entitled Listen, My Dears.

We extend our thanks to all of the people who made donations to the collections during 1995. They included: Angelina F. Rallo, Bob Cowie, Charles Chandler, Christine Landale, Muriel Quist, Cynthia and John Bohl, Hillary Robinson, Mike Myers, Jim Goddard, Leigh Fosberry, Alan Rumrill, Jean and Jim Cass, Mr. and Mrs. Wesley Davey, Phyllis Sawyer, Ruth Moe, Alyssa Follansbee, Mr. and Mrs. Edward LaFranchise, Dennis Carlisle, Mr. and Mrs. Herbert Jean, Mr. and Mrs. Floyd Koeller, Eunice Fiske, Betsy Howard, William Joerger, Betsy Oleson, and other anonymous donors.

CONSERVATION COMMISSION

Some of this has been said before, but bears saying again. Very few applications for Wetlands Board permits ("Dredge & Fill") were made in 1995, which leaves us wondering if work is being done without a permit. There is an expedited or "green form" for minimum impact only, which needs to meet certain criteria, depending on the project. The Town Clerk has all these forms and instructions. The green form requires the Conservation Commissions signature before the Town Clerk send it in.

Examples of activity needing a permit in water or wetlands:

dredging - almost any form of digging

filling - implies solid material, sand/gravel. (NOT brush, manure, stumps)

new construction - includes docks and decks

repairs - if it involves work below the waterline.

Stoddard has a 50' buffer zone to maintain natural vegetation along the shores of lakes and wetlands. The purpose of this is to catch run-off from landward activities before it has a chance to enter the lake or wetland, thus causing erosion and sedimentation, in fragile areas.

We learned in September that the DOT is planning to replace the Rte. 9 bridge near the Antrim line. This is the highway bridge near the historic stone arch bridge. This will necessitate either replacing the highway bridge north of its present alignment (that is on the side away from the stone arch bridge) or building a temporary bridge to the north and replacing the bridge at its present site. In December we also learned the DOT is beginning plans to replace the bridge at the beginning of Shedd Hill Rd. just beyond the Fire Station and Eaton's.

At the NHACC annual meeting much that was offered stemmed from the Northern Forest Lands Council (NFLC) report and its 37 recommendations. The Conservation Commission has a copy of the Executive Summary of the report. The need to preserve biological diversity at the same time as preserving people's traditional relationship with the land, was approached in various ways. Basically this involves the need to find in forest sustainability a delicate balance between society's needs from the resource today, and not compromising it for the future. What practices will tend toward sustainability and biodiversity, and how to get them a \$ constituency. Some ideas were floated, such as "Green Certification," wherein how timberland owners treat and manage their land and timber would be evaluated for certification, and they could then claim higher prices for their timber upon receiving certification. Another, idea is to get a supply of "Best Management Practices (BMP's) for Timber Cut" to selectmen's

offices to hand out a copy with every Intent to Cut filed. The emphasis is upon education not regulation, and it was noted that the public has become disjointed from the land and its crops, and the complex natural systems which support them, and there is need to reverse this disjointedness, with education which should start in the schools.

Quoting from the NFLC Executive Summary under "What we learned from the Public" " - - - - most of the comments contained two general themes: one, to alleviate the range of pressures that discourage landowners from holding and managing lands for the long term; the other, to protect and enhance the ecological resources of the region. - - - ".

SPNHF has published 140 pp. "Guide to the Forestry Laws of NH," with full text of 1995 recodified laws, a lay persons guide, explanations, and more. It is available from SPNHF for \$20. If there is interest the Conservation Commission will think about getting a copy.

LAKE ASSESSMENT REPORT

We again completed lake testing in June, July, and August. This year on Highland Lake, Highland Lake Unified Asso. has taken over testing both north and south, under the able direction of Christie Levaudowski, with the active participation of many people from HLUA with homes and summer homes up and down the lake. They may extend lake testing to May and September, too, on Highland Lake only.

I want to thank the Selectmen for their continued support of the program, the volunteers especially those with their boats on the various lakes, Nancy Cressy for the cooler drop-off in her garage, and many other people in town who support us.

A brief recap of lakeside DO's and DON'T's:

- Do pump out your septic tank every 3-5 years
- Do maintain your system and check your leachfield area
- Do use low or non-phosphate detergents
- Do keep land clearing to a minimum
- Do maintain a buffer of natural vegetation at least 50' deep along the shore.
- Do Not bathe, shampoo, wash boats, pets, or things in or near the lake with soap.
- Do Not wash autos near the lake
- Do Not use fertilizer near the lake shore
- Do Not burn brush or leaves near the shore, or on the ice in winter
- Do Not urinate or defecate in the lake, and don't allow pets to do so.

TEST DESCRIPTIONS:

pH

A measurement of acidity. A pH of 7 is neutral. Lower pH values indicate acidic conditions. High pH values indicate basic (alkaline) conditions. Little or no fish life remains when pH falls much below 5. NH average is 6.0.

Transparency

A measure of water clarity, affected by the amount of phytoplankton, color (dissolved organic compounds), and particulate matter in the lake. Measured by lowering a Secchi disk into the water and observing depth for disappearance. Standard: >13.1 ft. is Oligotrophic, 6.6 to 13.1 ft. is Mesotrophic, and <6.6 ft. is Eutrophic. NH average is 12.8.

Chlorophyll a

A green pigment in plants required for photosynthesis. A good indicator of abundance of microscopic plants and algae. Units are mg. per cubic meter. Standard: <4 is Oligotrophic, 4 to 10 is Mesotrophic, and >15 is Eutrophic. NH average is 7.3.

Total Phosphorus

Limiting nutrient that promotes plant and algae growth in lakes. Increased TP encourages excessive weed growth and algae blooms. Comes from decaying matter, soils, leachfields, land clearing, and agriculture runoff. Units are ug/L. Standard: <10 is Oligotrophic, and >20 is Eutrophic. NH average is 11.

Color

A measure of dissolved metals (iron and manganese), dissolved organic compounds, and suspended matter in water. Standard: 0 to 20 is crystal clear, 20 to 35 is slightly tea-colored, and 35 to 100 is tea colored to highly colored. NH average is 25.

Conductivity

Ability of water to carry an electrical current. High conductivity may indicate pollution from road salting, faulty septic systems or agriculture runoff. Units are umhos/cm. Standard: 0 to 50 is Oligotrophic, 50 to 100 is Mesotrophic, and >100 is Eutrophic. NH average is 56.4.

TRANSFER STATION-COMMITTEE REPORT

Subject: Improvement to Existing Site & Projected Cost for New Site.

The seven member committee formed and had their first meeting April '95. The committee met about every 3 weeks either at the Town Hall or at the Transfer Station. We decided to take a two step approach. The first step was to improve the present site. The second step was to investigate the potential of a new site.

As part of step one, we visited other stations in the towns of Hancock, Antrim, Bennington, Washington, Marlow, Nelson and Harrisville. The consensus of opinion from the board was that each town operated on a small site relatively close to the main part of town. The area (land mass) that was used for other sites was quite similar in size to Stoddard's present site. The present Transfer Station was examined for existing building size, storage of recyclables, drainage, and traffic flow. Eye appeal at the site was considered as a No. 1 priority as the site is somewhat at the heart of the town. We feel the new traffic flow will increase recycling dramatically. The conclusion of the board is that the present building could still be used (although the structure is in dis-repair). The traffic flow presently has no order or direction of flow as some folks pull up either on the left or in front of the door or park to the right for recyclables and throw aways.

After much discussion, the recommendation of the committee (if the town is to stay at its present site) is to vinyl side the building instead of scraping the painting as the later would be an on-going expense. Erect an addition to the east of the building of at least 30 x 30. The new addition would not be enclosed; only roofed, where vehicles could pull up under cover and put their recyclables in openings which would be installed in the east side of the building. We feel this would not only encourage recycling but increase the safety factor as all vehicles would pass to the right after entering the new main gate. The two overhead doors would be removed with one new door on the North side of the building.

As we are all aware the present site can be quite muddy because of a lack of drainage. The recommendation of the site engineer is to raise the existing building by 3 tiers of blocks approximately 24 inches to improve drainage inside as well as the outside. The outside travel area would be hard packed for ingress and egress once proper drainage and gravel is applied.

Our fence along the front is lacking in elevation and many of the posts are leaning over or coming out of the ground. A new wooden fence 7 ft. high or an Enviro-Fab fence (vinyl) would replace the present chain link. Brush removal will be

required, followed by suitable landscaping. A storage trailer would provide dry storage, free up space indoors and enable increased recycling of additional products. The final figure which includes drainage, fencing, new addition, travel surface plus unforeseen extras would not exceed \$44,000.

Trying to obtain figures for a new site was a challenge. First, to close the present site involves state engineers for a closing plan along with soil testing. If the state finds soils inconsistent with surrounding areas, then the soil has to be brought back to its original condition and heaven only knows what that will cost.

To open a new site, and not knowing where land can be purchased central to town, we could only project a 2 to 3 acre site at a purchase of around \$30,000. Also, a \$500 fee for a temporary license is needed from the state. The new site would involve an extensive site plan, fencing, septic, drilled well, new building, wiring inside along with outside lighting, clearing of the site, driveway and much gravel! The estimated figure for a new station would be between \$150,000 and \$175,000.

In conclusion, the consensus of opinion from the committee is to stay with the present site, improving upon what we already have established.

STODDARD OLD HOME DAYS

Old Home Days 1995 under the chairmanship of Gordon Garnett was held July 14, 15, and 16. All events were well attended, and everyone had a great time. The opening event, a display of juggling, comedy, magic, and illusion, was held Friday night at the gazebo near the church and was followed by the Church Ice Cream Social at the Town Hall. Saturday's parade kicked off from the Congregational Church at the usual 10:00a.m.. Music was provided by Post 4 American Legion Band and the M.T. Pockets band. Public buildings were open Saturday and there was a bazaar at the Town Hall. For the children there were games and the "Little Red Wagon" childrens program at the fire station. During the day the Junior Fire Department sold hot dogs, hamburgs and soft drinks and music was provided by M.T. Pockets. The Historic House Tour was of the Ewing House (Wilson Place, c. 1797). For supper there was the chicken barbecue the Fire Station. The drawing for the raffle was held after the barbeque. First prize, a Stoddard Bottle, was won by James Wood of Lexington, Mass; second prize, 50 pounds of beef donated by Pitcher Mountain Farm, was won by Ralph Eastman of Stoddard; and third prize, 25 pounds of lamb, was won by Dr. Dennis Pellegrino of Walpole. Saturday's activities wrapped up with a dance at the Town Hall to the music of Sugarfoot.

The Sunday morning pancake and Eggs Benedict breakfast at the Town Hall was again a sellout. After church services there was a guided hike to the Town Farm site, the Historical Society was open for the public and a concert by M.T. Pockets at the gazebo brought the 9th in this series of Stoddard Old Home Days to a successful conclusion.

The success of Old Home Days is due to the hard work and donations of many, many people. This year there were around 70 contributors not counting the people who worked on the committee. Without this support, this community event would not be possible. The committee gives its thanks to all supporters. Plans are already being made for next years celebration which will be July 12, 13, & 14. If anyone would like to be on the committee or has ideas or suggestions for activities, please contact the committee chairman or secretary.

Respectfully submitted, Marline Leotta, Secretary

HIGHLAND LAKE UNIFIED ASSOCIATION

The Highland Lake Unified Association was formed in 1987 to address safety, water quality and debris problems arising from a massive inversion of the frozen lake bottom during the winter construction of the new dam. It is comprised of road associations, property owner associations and individuals concerned with the lake and the watershed in both Stoddard and Washington. Over the past eight years the association redefined its earliest goals and now concerns itself with the future health and wellbeing of the lake and its watershed.

The stated purpose of the association is to protect the quality of the water, to protect the watershed and to promote safety on the lake. The association also provides a unified voice to represent member's interests to local, state and federal agencies.

In keeping with these objectives the association voted to recruit volunteers to continue the New Hampshire Environmental Services Volunteer Lay Assessment Program (VLAP) on the lake and its tributaries. During the 1995 season, HLUA volunteers trained and gathered samples in June, July and August using state equipment. The association's board recently voted to fund the purchase of equipment for this purpose to facilitate a more extensive testing season. Don Campbell serves the association and NH Water Resources Division by monitoring water levels at the dam during the spring and fall.

Additionally, association Vice President Joe Van Schaick identified hazards, landmarks and all roads surrounding the lake during 1993. By August of 1994 this information had been compiled for the first known navigational chart of the lake. The sale of the charts raises funds for other association projects and provides lake users with an easy-to-use safety tool. One of these projects was the purchase of educational videotapes and some science kit learning aides developed by NH Environmental Services related to lake and watershed ecology. These were given to the Stoddard and Washington schools for use in their educational programs. A free loaner video is available at Eaton's for adults who may be interested.

An association newsletter is published and sent to approximately 600 property owners in Stoddard and Washington yearly.

Plans for 1996 include the continuation of the VLAP program; monitoring and identification of indigenous and exotic weeds; installation of zebra mussel monitoring stations; updating the HLUA navigation chart; and the installation of bulletin boards at public launch areas.

Agency History:

Monadnock Family Services was organized in 1959 following a joint study by the Cheshire County Community Services Council and the League of Women Voters (Keene and Peterborough). Originally named Monadnock Area Family Service, the agency was organized through a merger of the Bureau of Public Service and the Keene Mental Hygiene Association. The service operated in this form through 1966, expanding in a five year period to a staff of two full time social workers with psychiatric and psychological consulting support.

In 1967, following a study during the previous two years, a community mental health clinic service was organized providing direct psychiatric and psychological services. This program added two psychiatric consultants, a clinical psychologist and one social worker to the agency staff.

Now in 1992, Monadnock Family Services has grown from providing only outpatient services in its early years to providing a much broader range of services in response to community needs. MFS operates out of five district offices: Keene, Peterborough, Winchester, Jaffrey and Walpole. We serve the 38 towns of the Monadnock Region. Our services now include the following:

- Counseling Services for Adults
- Adolescent & Children's Treatment
- Elderly Services and RSVP
- Psychological Testing
- 24-Hour Emergency Services
- Parenting Programs
- Housing
- Client Service Management
- Partial Hospitalization
- Community Support Programming/ Vocational Services
- Volunteer Center

Keene and Walpole District Office

The Keene and Walpole District Offices of Monadnock Family Services provides outpatient services for children and adults living in the towns of Keene, Alstead, Chesterfield, Fitzwilliam, Gilsum, Marlborough, Marlow, Nelson, Roxbury, Stoddard, Sullivan, Surry, Swanzey, Troy, Walpole and Westmoreland. Included among these services are individual, group, family and marital psychotherapy, as well as twenty-four hour crisis intervention. In addition, the Keene District Office provides special services for the Elderly, Vietnam Veterans, Adventure-Based Programs for Youth, Sexual Abuse victims, Sexual Offenders and pregnant teenagers and adolescent parents.

Monadnock Family Services is also continuing the alcohol and drug abuse prevention project in the Fall Mountain School District, Keene Junior High School and Keene High School. This project provides consultation to teachers, administrators, parents and students around ways to address the problems of substance abuse and chemical dependency.

The staff of the Keene and Walpole District Offices are all trained professionals who are committed to meeting the mental health needs of the communities they serve.

AUDITORS: (2)	Virginia GrandPré	1 Year
	Louis GrandPré	1 Year
SEXTON	Gordon Garnett	1 Year
LIQUOR AGENT:	Melvin Bull	1 Year

ART. 2: To see if you are in favor of adopting the proposed amendments and additions to the Community Planning (Zoning) Ordinance as proposed by the Stoddard Planning Board.

- ARTICLE III, 2, LOT SIZE AND FRONTAGE
 - B. add the words: defined as a public highway Class I through Class V, or a road in a subdivision approved by the Planning Board, to the end of the sentence.
 - C. add the words: defined as a public highway Class I through Class V, or a road in a subdivision approved by the Planning Board, to the end of the sentence.
- 71 YES 23 NO
- Art. 2 is adopted.

You are hereby notified to meet at the Town Hall in said Stoddard on Tuesday the Twelfth-first (21st) day of March 1995 at Seven (7:00PM) of the clock in the evening, to act upon the following articles 3 through 37.

The meeting opened at 7:00 PM by Daniel A. Eaton, Moderator, beginning with the salute to the Flag. The Moderator announces a pink card was given out to those who are registered voters in Stoddard. In the event a hand vote is required on any articles the voter card will be shown.

ART. 3. To see if the Town will vote to raise and appropriate the sum of \$12,000 to provide the town with a street numbering system for Enhanced 911 Service. Motion by Joe Sarcione, Seconded by Brian Cahill. Discussion by Harry Power, Joe Sarcione and Brian Cahill explains the options we have. Eventually everyone in the State will be on 911, but the problem we have in this Town is the numbering system. Each house will have a number so that when there is an emergency the number will come up on the screen. Mailing addresses will not be affected.

AN AMENDMENT by John Halter to reduce the amount to \$6,000.00. Seconded by Joe Sarcione. Art. 3 is amended. More discussion. **Art 3 will now read:** To see if the Town will vote to raise and appropriate the sum of \$6,000.00 to provide the Town with a street numbering system for Enhanced 911 Service. **Art 3 is adopted as amended.**

Motion by John Halter to take Articles 17, 32 & 33 out of sequence. Seconded by Brenda Bryer. These articles pertain to the Transfer Station and the Kirkers wish to comment on the operation of the Transfer Station, and answer any questions. Motion adopted.

ART. 17. To see if the Town will vote to raise and appropriate the sum of \$55,000 for the operational expenses of the Stoddard Recycling and Transfer Station. Moved by John Halter, Seconded by Lou GrandPré. John Halter explains why the Article is up \$5,000.00 from last year. There is a new way the City of Keen is accepting trash. At the landfills the trucks are charged by weight so it costs the Town more to dump the trash. Mr. Kirker asks everyone to recycle all their rubbish so that there will be less trash to take to the Keene landfill, thereby saving the Town money. Discussion follows on the need for everyone to recycle and to inform anyone not recycling to do so.

Art. 17 is adopted unanimously.

ART. 32. To see if the Town will vote to raise and appropriate the sum of \$60,000 to purchase land referred to as Tax map 421 Lot 11.2 for the relocation of the Stoddard Transfer Station consisting of approximately 52 acres and authorize the withdrawal of thirty-six thousand five hundred dollars plus accruing interest (\$36,500+) from the capital reserve fund create for that purpose. The balance of twenty-three thousand five hundred (\$23,500) is to come from general taxation. The selectmen recommend this appropriation. (Majority vote required). Moved by Brenda Bryer, Seconded by John Halter. Discussion on the need for more space by Mr. Kirker at the current Transfer Station location. More discussion follows. If the article fails, a need for establishing a committee to investigate other land that may be available and other solutions, will be formed. After much discussion, the Moderator calls for a vote. **On a voice vote Art. 32 fails, unanimously.**

ART. 33. To see if the Town will vote to raise and appropriate the sum of \$20,000 to add to a Capital Reserve fund created in 1992 for the purchase of land and or buildings for future Town use. Motion by Joe Sarcione, Seconded by Louis GrandPré. Motion for AN AMENDMENT by Harry Power to change the amount to \$5,000.00. Seconded by Carol Clark. Discussion follows. Brenda Bryer reports the amount in the Capital Reserve now is \$36,500 plus interest. **Art. 33 would now read:** To see if the Town will vote to raise and appropriate the sum of \$5,000.00 to add to a land and or buildings for future use. **Art. 33 is adopted as amended for \$5,000.00.**

ART. 4. To See if the Town will vote to raise and appropriate the sum of \$620.00 as its share for the support of the Monadnock Family and Mental Health Services. Moved by Kenneth Peate, Seconded by Jane Abert. **Art. 4 is adopted.**

ART. 5. To see if the Town will vote to raise and appropriate the sum of \$1,800.00 as its share for the support of the Home Health Care and Community Services. Motion by John Secco, Seconded by Ken Peate. John Halter, Selectman reports on the expenditures of HHC for \$628.00. In past years the full amount appropriated is never spent, therefore the amended amount should be more in line for HHC to use and not appropriate more than needed. John Halter moves and AMENDMENT to read:

To see if the Town will vote to raise and appropriate the sum of \$800.00 as its share for the support of the Home Health Care and Community Services. Seconded by Louis GrandPré. **Art. 5 is adopted as amended.**

ART. 6. To see if the Town will vote to raise and appropriate the sum of \$1,000 as its share for the support of the Community Kitchen. Moved by John Halter, Seconded by Louis GrandPré. Harry Power speaks against spending tax dollars as the Community Kitchen receives monies from the United Way, Grants, etc. John Halter responds that the Community Kitchen feeds people from Stoddard and that it is a good service available to them, but the decision is up to the people. Harry Power moves that Art. 6 be indefinitely postponed. Seconded. **Art. 6 is indefinitely postponed unanimously.**

ART. 7. To see if the Town will vote to raise and appropriate the sum of \$500.00 as its share for the support of the Southwestern Community Service Inc. Moved by Joan Zelasny, Seconded by Brenda Bryer. Discussion follows. Harry Power moves we indefinitely postpone Art. 7, Seconded by Roger Clark. **Art. 7 is indefinitely postponed.**

ART. 8. To see if the Town will vote to raise and appropriate the sum of \$460 for the repair of Herbert Jean's boat motor, which was damaged during Lay Monitor Testing. This article requested by the Conservation Commission. Moved by Jane Abert as to what happened, and how the damages came about. **Art. 8 is adopted.**

ART. 9. To see if the Town will vote to raise and appropriate the sum of \$200 for the operation of the Stoddard Conservation Commission. Moved by Jane Abert, Seconded by Pat Putnum. **Art. 9 is adopted.**

ART. 10. To see if the Town will vote to raise and appropriate the sum of \$970 for the Lay Monitoring Program. Moved by Jane Abert, Seconded by Frances Rumrill. **Art. 10 is adopted.**

ART. 11. Shall the Town accept the provisions of RSA 31:95-b providing that any town at an annual meeting may adopt an article authorizing indefinitely, until specific rescission of such authority, the Selectmen to apply for, accept and expend, without further action by the Town meeting, unanticipated money from a State, Federal, or other governmental unit or a private source which becomes available during the fiscal year. This authorization will remain in effect until rescinded by a vote of the municipal meeting. (Majority vote required). Moved by John Halter, Seconded by Brenda Bryer. **Art. 11 is adopted.**

ART. 12. To see if the Town will vote to authorize the Board of Selectmen to accept gifts of personal property, other than cash, to the municipality for any public purposes. This authorization in accordance with RSA 31:95-e shall remain in effect until rescinded by a vote of the municipal meeting. (Majority vote required). Motion by John Halter, Seconded by Brenda Bryer. **Art. 12 is adopted.**

ART. 13. To see if the Town will vote to authorize the Selectmen to sell by auction or by advertised sealed bid, or in such other manner as determined by the Selectmen as justice may require properties acquired by the Town through Tax Collector's deeds in accordance with RSA 80:42. Moved by John Halter, Seconded by Louis GrandPré. **Art. 13 is adopted.**

ART. 14. Shall the Town accept the provision of RSA 33:7 providing that any Town at an annual meeting may adopt an article authorizing indefinitely, until specific rescission of such authority, the Selectmen to issue tax anticipation notes. (Majority vote required). Moved by John Halter, Seconded by Louis GrandPré.

Art. 14 is adopted.

ART. 15. To see if the Town will vote to raise and appropriate the sum of \$6,675 for the operation and maintenance of the Davis Library. Moved by Frances Rumrill, Seconded by Lina Vaillancourt. This amount will include an emergency exit and handicap ramp. **Art. 15 is adopted.**

ART. 16. Shall the Town accept the provisions of RSA 202-A:4-c providing that any Town at an annual meeting may adopt an article authorizing indefinitely, until specific rescission of such authority, the public library trustees to apply for, accept and expend, without further action by the Town meeting, unanticipated money from a State, Federal or other governmental unit or a private source which becomes available. (Majority vote required). Moved by Frances Rumrill, Seconded by Jane Abert.

Art. 16 is adopted.

ART. 17. Done previously.

ART. 18. To see if the Town will vote to raise and appropriate the sum of \$15,815 for the operating budget of the Stoddard Fire & Rescue Department for the ensuing year. Motion by Brian Cahill, Seconded by John Cressy. John Halter offers an AMENDMENT to add to the article. adding..and to see if the Town will vote to establish the Stoddard Fire and Rescue Department as the Town's official municipal Fire and Rescue Department, to authorize it to accept gifts in the name of the department, to approve the election of its officers by the department membership, and to authorize the appointment of its members by the duly elected chief, pursuant to RSA 154:1. Seconded by Brenda Bryer. Moderator rules this amendment Non-Germain.

This Amendment shows the Town is making an attempt to operate in faith in compliance with State law. There is legislation being introduced that will expand the deadline to next year to allow Towns to pass this article independently, on it's own which would be a catch all for liability for the Town. Should that Legislation pass you will see Mr. Halter's Amendment as an article in next years warrant. In the interim my job is to rule it Non-Germain. That does not preclude the Town from ruling or voting to override Moderators ruling.

Moderator recognizes Mr. Halter who moves this body vote to override the Moderators ruling that the Article is Non-Germain. Seconded by Louis GrandPré. Discussion on the Article. Mr. Halter explains, RSA 154:1 require Towns by Jan. 1, 1996, which would be before our next Town meeting to do one of two things. To either affirm that their Fire Dept. is an agency of the Town and thus protected as part of the Municipality. If they do this and have their own finances, elect their own chief does not change their current operation. The other option is to make them completely private and a separate entity.

This article which is a model article that was given to us by the Fire Marshall in Concord. This will essentially allow us to continue to do exactly what we are

doing and simultaneously comply with State Law and protect the liability of the Fire Dept. so some one does not sue them as an individual.

Moderators ruling to override is passed unanimously.

The Amendment as offered is adopted.

Art. 18 will now read: To see if the Town will vote to raise and appropriate the sum of \$15,815.00 for the operating budget of the Stoddard Fire & Rescue Department for the ensuing year and to see if the Town will vote to establish the Stoddard Fire and Rescue Department as the Town's official municipal fire and rescue department, to authorize it to accept gifts in the name of the department, to approve the election of its officers by the department membership and to authorize the appointment of its members by the duly elected chief, pursuant to RSA 154:1.

Art. 18 is adopted as amended unanimously.

ART. 19. To see if the Town will vote to raise and appropriate the sum of \$2,500 for Antrim ambulance service for the ensuing year. Motion by Brian Cahill, Seconded by Joe Sarcione. **Art. 19 is adopted.**

ART. 20. To see if the Town will vote to raise and appropriate the sum of \$7,500.00 to refurbish the tank and rear body of the 1976 International Fire Truck referred to as (M4) in order to extend the useful life of this vehicle. Motion by Brian Cahill, Seconded by Joe Sarcione. Discussion: Brian Cahill explains repairs that were very serious and had to be done in 1994. The money has been spent as part of the 1994 emergency fund and this will replace it. **Art. 20 is adopted.**

ART. 21. To see if the Town will vote to establish a Capital Reserve Fund under the provisions of RSA 35:1 for the purpose of a front line pumper replacing the 1955 FWD referred to as M1 and to raise and appropriate \$25,000.00 to be placed in this fund. The Selectmen and Fire Depart. recommend this appropriation. (Majority vote required). Motion by Brian Cahill, Seconded by John Secco. **Art. 21 is adopted unanimously.**

ART. 22. To see if the Town will vote to raise and appropriate the sum of \$1,500 for the operating budget of the Stoddard Fire Warden, to include the purchase of equipment, meeting and training. Motion by Joe Sarcione, Seconded by Shannon Sarcione. **Art. 22 is adopted.**

ART. 23. To see if the Town will vote to raise and appropriate the sum of \$103,865 to defray Town charges for the ensuing year. Motion by John Halter, Seconded by Louis GrandPré. John Halter, Selectmen points out that this is \$3,600.00 less than last year. Discussion if this article will be amended in any shape or form for the benefit of a committee or engineering or any other purpose for the transfer station site. Discussion follows.

An AMENDMENT by Louis GrandPré to increase article of \$5,000.00 for the committee to work with. Seconded by John Halter. The committee formed is Harry Power, Bob Hardy, John Secco, Paul Dionne and John Cressy. They will look to find the Town needs, property, and make recommendations to the Selectmen, and report back to the Town. The Amendment is adopted.

Art. 23 will now read: To see if the Town will vote to raise and appropriate the sum of \$108,865.00 to defray Town charges for the ensuing year.

Art. 23 is adopted as amended unanimously.

ART. 24. To see if the Town will vote to raise and appropriate the sum of \$2,500 to restore & microfilm two (2) volumes of old town records. Motion by Frances Rumrill, Seconded by Harry Power. Discussion on costs for the microfilm.

An **AMENDMENT** by Harry Power to read: To see if the Town will vote to raise and appropriate the sum of \$2,500.00 to microfilm 2 volumes of old Town records and to further authorize the Selectmen to purchase a fire proof vault. No Second. Amendment fails.

Art. 24 is adopted.

ART. 25. To see if the Town will vote to raise and appropriate the sum of \$2,500.00 as operating budget for the Stoddard Planning Board for the ensuing year. Motion by Pat Campbell, seconded by Pat Putnam. **Art. 25 is adopted.**

ART. 26. To see if the Town will vote to raise and appropriate the sum of \$682.00 for membership to the Southwest Region Planning Commission for the coming year. Moved by Jane Abert, Seconded by Frances Rumrill. **Art. 26 is adopted.**

ART. 27. To see if the Town will vote to raise and appropriate the sum of \$1,100.00 for the operating budget of the Stoddard Zoning Board of Adjustment. Motion by Bev Power, Seconded. Bev Power, ZBA Chairman proposes an **AMENDMENT** to raise and appropriate the sum of \$700.00 for the operating budget.

Amendment is adopted.

Art. 27 will now read: To see if the Town will vote to raise and appropriate the sum of \$700.00 for the operating budget of the Stoddard Zoning Board of Adjustment. **Art. 27 is adopted as amended.**

ART. 28. To see if the Town will vote to raise and appropriate the sum of \$9,675.00 for the operating budget of the Stoddard Police Department. Motion by David Vaillancourt, Seconded by Joe Sarcione. **Art. 28 is adopted.**

ART. 29. To see if the Town will vote to authorize the Selectmen to enter into a lease agreement for the purpose of leasing a Police Cruiser for the Police Department, and to raise and appropriate the sum of \$7,868.00 for the first (1st) years payment for that purpose. This lease contains an "escape clause" (Majority vote required). The Selectmen and Police Chief recommend this article. Moved by David Vaillancourt, Seconded by Brenda Bryer. Discussion follows. This will be a full size 4x4 vehicle. Major maintenance will be included in the lease. **Art. 29 is adopted.**

ART. 30 To see if the town will vote to raise and appropriate the sum of \$12,000.00 for the purchase of a used Police Cruiser. Moved by David Vaillancourt, Seconded by Joe Sarcione to indefinitely postpone Art. 30. **Art. 30 is indefinitely postponed.**

ART. 31. To see if the Town will vote to raise and appropriate the sum of \$105,000 for winter and summer maintenance, emergencies & planned repair of Town roads and bridges. Moved by Louis GrandPré, Seconded by John Halter. Harry Power asks for breakdown on this figure. Louis GrandPré Selectmen complies. **Art. 31 is adopted.**

ART. 32 and ART. 33 already have been acted on earlier.

ART. 34. To see if the Town will vote to raise and appropriate the sum of \$20,000.00 to be added to the Shedd Hill Bridge replacement Capital Reserve Fund established in 1994. The selectmen recommend this appropriation. (Majority vote required). Motion by John Halter, Seconded by Louis GrandPré. Discussion follows. It is noted the State will pay 80% of the cost to replace the bridge. **Art. 34 is adopted unanimously.**

ART. 35. To see if the Town will vote to discontinue the office of Liquor Agent, and remove said position from the ballot. The Selectmen and Mrs. Avis Bull recommend this article. (Majority vote required). Motion by John Halter, Seconded by Louis GrandPré. **Art. 35 is adopted unanimously.**

ART. 36. To see if the Town will vote to discontinue the office of Surveyors of Wood and Lumber, and remove said positions from the ballot. The Selectmen and Town Clerk recommend this article. (Majority vote required). Motion by John Halter, Seconded by Louis GrandPré. **Art. 36 is adopted unanimously.**

ART. 37. To transact any other business that may legally come before said meeting. Being none the Town Meeting is adjourned in memory of Melvin Bull. All newly elected officers are to come forward so the Moderator may swear them in.

Meeting adjourned.

School Board Report

The 1995-1996 year has seen six changes in part-time staff, and one school board member. New people are staffing music, art, foreign language, speech therapy, food service, and school nurse.

With great regret, we accepted the resignation of Helen Bouchard in the fall. Helen, who has moved out of Stoddard, was a joy to work with, and was a competent, incisive, interested, caring and dedicated board member, who will be missed.

Cheryl Woods, who has a daughter in first grade, is filling in until the March election. She has shown herself to be a very capable, thoughtful board member, and we have been fortunate to have her.

There has been some furnace problems, and Ray Lagasse, our very competent custodian, has saved us a great deal by knowing the system and doing many of the repairs. A circulator was ruined by frequent power surges, and Public Service has been informed of our displeasure. Our insurance did pay a claim.

A new storage shed, placed at the end of the building, was purchased to hold the tractor and other necessary equipment.

Trees which, when covered with ice, hampered the bus and cars going in and out, were trimmed. Trees in the cul de sac, which were dying, were removed. In their place, the local Girl Scouts planted flowers as a community project. Lilac bushes were also planted.

We welcome input from parents. Our goal is for the children to get the best education possible, so if you ever have concerns, we want to hear them. The School Board meets the second Tuesday of each month at the school at 4:00 PM, with a goal to complete all business by 6:30 PM.

Respectfully submitted,

Mary Lou Eaton, Chairperson

Head Teacher's Report

In January of 1995, Mrs. Murphy's class studied "Animals in Winter" and used the school's nature trail to track animals in our school surroundings.

During February, they learned about "Character Education". They used "Friendship" as a theme throughout the curriculum and practiced the six components of character: trustworthiness, respect, responsibility, fairness, caring, and citizenship. They studied anatomy, health, and safety during March, using a drug-free program designed for early childhood students. The year was ended by the study of insects, at which time they hatched painted lady butterflies.

Each class spent time studying topics about our environment, culminating with an Earth Day program which was organized by Ms. Larson and Mrs. Murphy. The day was filled with songs, skits, and student projects; one being a class play of Dr. Suess's The Lorax by Ms. Larson's group. Another was a student written skit on endangered animals by Mr. LaFleur's class.

In the winter of 1995, Ms. Larson's class studied Greek myths. This culminated in a trip to see the Keene Children's Museum display and activities based on the myths.

They did a unit on manners ending with a pretend restaurant in the classroom. Since then the children are allowed to eat in the classroom, as long as they display good manners. A unit on George Washington, Abraham Lincoln, and Harriet Tubman was worked on.

The school year was ended with a study of whales in all three classes. Then a whale watch was launched, with all of us aboard. Unfortunately the waters were so rough, that no whales could be seen. But we did have one heck of a boat ride!

All three classes spent some time in music class studying about Mozart. Then a trip to the New England Marionettes was made, where we got to see a production of "Mozart's Magic Fantasy". This story is about a young girl who got swept up into Mr. Mozart's opera. It is through her eyes, that the students get to know more about Mozart's work.

Mr. LaFleur's class read the book The Indian in the Cupboard, which brought with it much study of the American Indians. The class met on a Saturday and went to an actual pow-wow. Then in June the movie was released, so the class got together and went to see it.

Mr. LaFleur and five students attended the Children's Author Seminar, where they got to meet several authors, and illustrators. Soon after, the class made a trip to one of these author's homes. Efner Tudor Holmes, daughter of Tasha Tudor, had opened her home, "Maple Lane Farm", to class visitations. The students got to meet and talk with Efner, as well as the many farm animals which they had read about in her books. Students got to see how and where her story ideas came from, and the process Efner uses when writing a story; starting with her handwritten notes all the way through to the published book.

The final book which the class read was My Side of the Mountain. This book involved the study of survival and health. Students participated in several survival activities, in which they needed to work together and think things through in order to survive the game. The book also provides a lot of information about plants and how they can be used as a food, spice, or medicine.

This fall, Mrs. Murphy's group focused on the life cycle of a pumpkin, and are now learning about Africa, drums, and rhythms, as well as the African American celebration of Kwanzaa.

All classes spent time learning about bats, and had a slide presentation put on by the New Hampshire Audubon Society.

Ms Larson's group concentrated on the Golden Rule. They did a "Schoolyard Science" unit on trees with weekly outdoor activities, and the class visited the Northfield Conservation Center. This was soon followed by a unit on Pilgrims. They are presently studying German winter holidays to be culminated with a school wide international winter festival.

Most recently, Mrs. Murphy's and Ms. Larson's class went to see a holiday play in Manchester's Palace Theater, which was based on "The Nutcracker".

Mr. LaFleur's class started the year with the book The House on Hackman's Hill for their reading lessons. The most loved book in the class, deals with Egyptian history, and it's facts and myths. Students engaged in pyramid building, decoding Hieroglyphics, and making of mummy cases.

Students were placed in groups, which simulated the American Pilgrim colonies, as the groups took part in a Pilgrim simulation program. They needed to work together in order to make their colony survive, as they faced a dangerous sea journey, Indian attacks, fires, and colonists' deaths. At the end of the program, groups were able to compare their results to that of the original Pilgrims. Now that the Pilgrims were in the new world, the class was able to begin study of New Hampshire History. They look forward to a visit to the New Hampshire Historical Society building. If anyone would like to help make our study more meaningful, by sharing with us information, or items pertaining to our local history, please contact Mr. Mark LaFleur. We would love to hear from you!

To coincide with the New Hampshire History unit, the class has begun reading Farmer Boy, by Laura Ingalls Wilder. The book deals with many tools and methods of farming from an earlier time period. The main character, Almonzo, is Laura's future husband, when he was just an eight year old boy.

Thank you to all the many people who help make the Stoddard School successful. There are numerous occasions when each of you gives of yourself in some manner or another. These times have not gone unnoticed, nor unappreciated! Let us continue to work together for our school and children.

Mr. Mark LaFleur

School Nurse's Report
1995-1996

The school health program was off to a rollicking start this year. As there had been a problem with head lice last year, my first contact with the children and staff centered around this issue. What an introduction to the new school nurse! In addition, a new policy was adopted by the school board and the staff to address this problem in the future, should the need arise.

The health screening program, which includes height, weight, hearing and vision testing was accomplished early in the school year. Parents were contacted either by phone or letter or both, if additional care or referral was necessary. At the same time, immunization records were reviewed and documented for the school and the state of New Hampshire.

Health classes will begin in the New Year. I will be utilizing "The Great Body Shop" which comes from the Children's Health Market, Inc. It will be offered in all grades, and includes such subjects as child safety, diet, hygiene, the senses, exercise, and much more. The children will be bringing home the pamphlets to show and work with their families as they learn and grow.

I look forward to working with the children and their families in this unique and exciting educational environment.

Respectfully submitted,

Georgianna Harden Hamilton RN

STODDARD SCHOOL DISTRICT
ANNUAL MEETING
1995 WARRANT

The 1995 School Warrant Meeting was opened at the Stoddard Town Hall on March 9, 1995 at 7:05 p.m. by Moderator Daniel Eaton. Don Jones led the Pledge of Allegiance at the request of Daniel Eaton. Present at the meeting from the Stoddard School Board were Chairman Helen Bouchard, Mary Lou Eaton and Brenda Howard and Clerk Marline Leotta. Present from SAU #24 were Superintendent Donald Jones, Business Administrator James Crane, Special Education Director Joseph Denning and Special Education Secretary Linda Smith. Present from the Stoddard School Staff was Mark LaFleur, Head Teacher.

Article 1. To choose by nonpartisan ballot the following School District officials:

- A. One School Board Member - 3 year term
- B. One Moderator - 1 year term
- C. One Treasurer - 1 year term
- D. One Clerk - 1 year term
- E. One Auditor - 1 year term

Helen Bouchard moved that the polls be open until 7:30 p.m. or the close of the meeting whichever occurs last. The motion was seconded by Mary Lou Eaton. Motion carried unanimously by voice vote.

Moderator Daniel Eaton called a voting recess to allow those present to vote. The recess was over and the meeting called to order at 7:15 p.m.

ARTICLE 2. Mary Lou Eaton moved to hear the reports of agents, auditors, committees and officers chosen as printed in the annual report. The motion was seconded by Brenda Howard. Motion carried unanimously by voice vote.

Discussion from the floor included a question from Nancy Cressy concerning the auditing schedule and what was being paid for this year. Don Jones informed her that according to the schedule of having a more indepth audit every other year the 1994-95 budget included \$25.00 for an audit and the 1995-96 budget, \$500.00.

ARTICLE 3. Helen Bouchard moved to determine and appoint the salaries of the School Board and fix compensation for any other officers or agents of the District as presented in the 1995-96 budget. The motion was seconded by Mary Lou Eaton. Motion carried unanimously by voice vote.

ARTICLE 4. Brenda Howard moved that the District raise and

appropriate the sum of \$656,764(six hundred fifty-six thousand, seven hundred sixty-four dollars) for the support of schools, for the payment of salaries of School District officials and agents, and for the payment of statutory obligations of the District. The motion was seconded by Helen Bouchard. Motion carried unanimously by voice vote.

ARTICLE 5. To choose agents and committees in relation to any subject in this warrant. No action taken.

Discussion from the floor included a question from Nancy Cressy as to status of discussions on multipurpose room and would it make sense to put a capital reserve fund in current budget. Daniel Eaton responded that a separate article would be needed and voters would have to be advised ahead of time.

ARTICLE 6. To transact any other business that may legally come before said meeting. No action taken.

Discussion from the floor included more comments on multipurpose room. In reply to a question from Nancy Cressy Don Jones said a committee had been formed, had discussed the subject, would consider putting something on next year's warrant, and would set a meeting date if anyone present wanted to meet with the committee. Carol Clark asked if original plans for the new addition could be used as a starting point. Denise Pratt responded that she had done that to get very rough estimates over the phone.

Mary Lou Eaton moved to adjourn the meeting except for the purposes of voting. The motion was seconded by Brenda Howard Motion carried unanimously. Meeting adjourned (and voting completed) at 7:30 p.m.

Equalization Rate: Each year the Selectmen complete a report for the Department of Revenue Administration. This report list all the properties sold in Stoddard for the past year with the sale price. The Selectmen must report the Assessed Valuation of the property and note if the sales was within a family. Based on this information the Department Of Revenue Administration calculates the percentage of Assessed Value to Market Value. Stoddard Assessed Value has been greater than Market Value since 1991.

The 1995 rate will be set in March 1996.
